

# Instructions for Using Map Search

<http://msc.fema.gov>

Map Search allows users to view and select a flood map panel geographically. A specific flood map panel or an area of interest can be located by typing in a street address, coordinates or by using the interactive map. Follow the steps below:

To Select by Address:

## To Select by Latitude and Longitude:

**MSC Product Map Search**

1 Select a Product: Public Flood Map

2 Search By Address or Coordinates:

Address: [ ] State: [ ]

Decimal Degree  
Degree Minute Second

**Step 1:** Specify the type of map product. (For example, choose Public Flood Map.)

**Step 2:** To search by coordinates, click on coordinates. Two input boxes will then display which allows you to key in the latitude and longitude.
