- 6.1.5 promptly notify the Borough of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Bidding Documents.

The Borough shall, at its convenience, make facilities accessible to each bidder and staff for this purpose. Failure to arrange for inspection may disqualify bidder.

- 6.2 Information and data shown or indicated in the Bidding Documents with respect to existing Underground Facilities at or contiguous to the site is based upon information and data furnished to the Borough by the owners of such Underground Facilities or others, and the Borough does not assume responsibility for the accuracy or completeness thereof.
- 6.3 Before submitting a Bid, each Bidder shall be responsible to obtain such additional or supplementary examinations, investigations, explorations, tests studies, and data concerning conditions (surface, subsurface, and Underground Facilities) at or contiguous to the site or otherwise which may affect cost, progress, performance, or furnishing of the Work or which relate to any aspect of the means, methods, techniques, sequences or procedures of construction to be employed by Bidder and safety precautions and programs incident thereto or which Bidder deems necessary to determine its Bid for performing and furnishing the Work in accordance with the time, price, and other terms and conditions of the Bidding Documents.

Any questions or requests for interpretation of any provision of the Bidding Documents shall be made to Brian Fogal, Engineering Supervisor, at 717-251-2415 or bfogal@chambersburgpa.gov at least five (5) days prior to the submission deadline.

The Borough may issue an Addendum if deemed necessary by the Borough to address or clarify the Bidding Documents prior to the submission deadline. Questions received after five (5) days prior to the date for opening Bids may not be answered. Only questions answered by formal written Addenda will be binding. Oral statements, interpretations or clarifications will not be binding or legally effective. A Bidder who fails to acknowledge receipt of any such Addendum with its Bid, as documented in a "Receipt of Addenda" form will be construed as though the Addendum had been received and acknowledged.

8. Security

- 8.1 All bonds shall be in the form and substance prescribed by the Bidding Documents except as provided otherwise by laws and/or regulations, and shall be executed by such sureties as are named in the list of "Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies" as published in Circular 570 (amended) by the Financial Management Service, Surety Bond Branch, U.S. Department of the Treasury. All bonds signed by an agent or attorney-in-fact must be accompanied by a certified copy of that individual's authority to bind the surety. The evidence of authority shall show that it is effective on the date the agent or attorney-in-fact signed each bond.

If the surety on any bond furnished by Contractor is declared bankrupt or becomes insolvent or its right to conduct business is terminated in any state where any part of the Project is located or it ceases to meet the requirements of this Section 8, Contractor shall promptly notify the Borough and, within twenty (20) days after the event giving rise to such notification, provide another bond and surety.

The Borough anticipates that this year's work will be reflective of that done in 2025 which was 5,000 square yards so the Bidders shall use the Borough's 2025 patching materials amount for Proposal

Security calculations. The 2026 patching material amount is to be used only for calculating the Bid Security and is a reasonable estimate of the amount to be required in 2026.

- 8.2 **Proposal Bonds.** Each Bid must be accompanied by a Bid security made payable to the Borough in an amount of ten percent (10%) of Bidder's maximum Bid price according to the following formula below and in the form of a certified or bank check or a Bid Bond (on form attached) issued by a surety meeting the requirements of this Section. All instruments of Bid security shall be valid and remain in effect for at least one hundred twenty (120) days from the date of the bid opening. Substitute Bid Bond forms are not acceptable.

The Proposal Security shall be calculated using the following formula:

$$5,000 \text{ square yards} \times \text{Bidder's bid amount per square yard} \times 0.10$$

All instruments of Bid security shall be valid and remain in effect for at least one hundred twenty (120) days from the date of the bid opening. Substitute Bid Bond forms are not acceptable.

The Proposal Bond of the Successful Bidder will be retained until such Bidder has executed the Agreement and furnished acceptable contract bonds and insurance certificate(s), whereupon the Proposal Bond will be returned. If the Successful Bidder fails to execute and deliver the Agreement and furnish acceptable contract bonds and insurance certificate(s) within fifteen (15) days after the Notice of Intent to Award, the Borough may annul the Notice of Intent to Award and the full amount of the Proposal Bond will be forfeited.

The Borough will return the Proposal Bond and financial information, if any, of all Bidders except the three apparent lowest responsible, responsive Bidders as determined by the Borough upon evaluation, within thirty (30) days after the date of Bid Opening. Upon execution of the Agreement and furnishing of acceptable contract bonds and insurance certificate by the Successful Bidder, the remaining Proposal Bonds and financial information, if any, of each of the three lowest Bidders will also be returned.

- 8.3 **Performance and Payment Bonds.** When the apparent Successful Bidder delivers the signed Agreement to the Borough, it must be accompanied by the required Performance and Payment bonds on the forms provided in the Bidding Documents. Substitute Bond forms are not acceptable.

Contractor shall furnish performance and payment bonds, each in an amount equal One Hundred Percent (100%) of the estimated contract price for 2026 as security for the faithful performance and payment of all of Contractor's obligations under the Contract Documents.

The Performance and Payment Bonds shall each be calculated using the following formula:

$$5,000 \text{ square yards} \times \text{Bidder's bid amount per square yard} \times 0.10$$

These bonds shall remain in effect until one year after the date when final payment becomes due or until completion of the correction period, whichever is later, except as provided otherwise by laws or regulations or by the Contract Documents.

Provisions for liquidated and other damages, if any, are set forth in the Agreement.

Bidders are encouraged to attend and participate in the conference. Oral statements made at the pre-bid meeting by the Borough, its officers, employees, agents, and consultants may not be relied upon and will not be binding or legally effective. The Borough may release an Addendum in response to questions arising at the conference if deemed necessary or desirable by the Borough

12. Proposal Form

However, the Contractor is not exempt from the obligation to follow appropriate tax laws in the procurement of materials and services used in the performance of this contract. After the Bid opening, Bidder may withdraw its Bid only by complying with applicable federal, state, or local laws and regulations. Unless prohibited by such applicable laws and regulations, or if there are no applicable laws and regulations, Bidder shall forfeit the entire amount of Bid security upon withdrawal of its Bid.

A Bidder which is permitted to withdraw a Bid shall supply any products or labor to, or perform any subcontract or other work for, any entity awarded a Contract or subcontract for performance of the Work for which the withdrawn Bid was submitted.

The Borough will either award the Contract within the applicable time period or reject all Bids, returning the Bid security to the Bidders. Thirty (30)-day extensions of the date for the award may be made by the mutual written consent of the Borough and the apparent Successful Bidder. In addition, each Bidder, by submitting a bid, agrees to keep their Bid price fixed through 2026 in the event the Successful Bidder (the “Contractor”) cannot agree on a completion date for a particular list of work and the Borough desires to award the particular list of work to the next lowest Bidder who can meet the completion date.

16. Award of Contract

The Borough reserves the right, without limitation, to reject any or all Bids, including without limitation the rights to reject any or all nonconforming, nonresponsive, unbalanced or conditional Bids and to reject the Bid of any Bidder, if the Borough believes that it would not be in the best interest of the project to make an award to that Bidder, whether because the Bid is not responsive or the Bidder is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criteria established by the Borough. The Borough also reserves the right to waive all irregularities or informalities not involving price, time or changes in the Work and to negotiate contract terms with the Successful Bidder.

The Borough will correct discrepancies in Bidder’s mathematical totals. Discrepancies in the multiplication of units of Work and unit prices will be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum. Discrepancies between words and figures will be resolved in favor of the words.

In evaluating Bids, the Borough may conduct such investigations as the Borough deems necessary and/or desirable to assist in the evaluation of any Bid and to establish the responsibility, qualifications, and financial ability of Bidders, proposed Subcontractors, Suppliers, and other persons and organizations to perform and furnish the Work in accordance with the Contract Documents to the Borough’s satisfaction within the prescribed time. The Borough reserves the right to interview bidders.

If the Contract is to be awarded, the Borough will give the apparent Successful Bidder a Notice of Intent to Award.

The Successful Bidder is required to complete an Internal Revenue Service Form (W-9) providing the bidder’s taxpayer identification number (TIN), address, and, if applicable, certification regarding backup withholding prior to and as a condition of the award of the Contract. The Borough may waive this provision in the event the Borough is in possession of an accurate and up to date W-9 form.

17. Signing of Agreement

When the Borough gives a Notice of Intent to Award to the apparent successful Bidder, it will be accompanied by two (2) unsigned counterparts each of the Agreement (each with a copy of the Bid submission, the Payment and Performance Bonds, the W-9 Form, and the Public Works Employment Verification Form). Within fifteen (15) days thereafter, apparent Successful Bidder shall sign and deliver to the Borough the two (2) signed counterparts of the Agreement accompanied by the executed Performance and Payment Bonds (with a power-of-attorney certificate attached to each) or other forms of financial security, required insurance certificate(s), and the completed W-9 and Public Works Employment Verification Form. Contractor's services will not be terminated if Contractor begins within seven (7) days of receipt of the notice of intent to terminate to correct and cure the deficiencies set forth in said notice and it proceeds in a diligent manner to cure such deficiencies within no more than fifteen (15) days of receipt of said notice, unless the Borough in its sole and absolute discretion extends such time to cure in writing.

With respect to breach of warranty claims by the Borough, the Borough shall provide Contractor with reasonably prompt written notice setting forth in sufficient detail the reasons for declaring that it believes a breach of warranty has occurred. The Borough shall give Contractor prompt notice of defects that become apparent. Contractor shall have ten (10) days from receipt of the written notice declaring the breach (or such longer period of time as the Borough may grant in writing) within which to cure the alleged breach. These provisions shall be in addition to all other rights and remedies available to the Borough under the Agreement and any applicable laws. In case of an emergency where delay would cause serious loss or damage, the Borough may undertake to have any defects repaired without previous notice to Contractor, and the expense of such repairs shall be borne by Contractor.

END OF PROPOSAL BOND

AGREEMENT

THIS AGREEMENT (hereinafter, the “Agreement”) made this _____ day of _____ 20____ (the “Effective Date”) by and between the Borough of Chambersburg, a Municipal Corporation organized and existing under the laws of the Commonwealth of Pennsylvania, (hereinafter the “Borough”) and _____ (hereinafter the “Contractor”).

WITNESSETH

WHEREAS, the Borough has authorized certain items of work in connection with “Specifications and Contract Documents for Permanent Restoration of Surface Openings & Manual Bituminous Patching on Borough Streets (hereinafter the “Specifications”), as required, all in accordance with said Contract Documents as further defined below, attached hereto and made a part herein; and

WHEREAS, the Contractor has submitted to the Borough a bid for certain work in conformity with said Specifications, a copy of which proposal is hereto attached and made a part hereof (hereinafter the “Proposal”); and

WHEREAS, the Borough, after due consideration and appropriate action, has determined that it is in the best interest of the Borough to award a contract to the Contractor for said Item(s) of work included in said bid in accordance with the terms and conditions set forth herein.

NOW THEREFORE, the Borough and the Contractor in consideration of the requirements, terms and conditions of said Specifications and the offers, promises and representations made by the Contractor in said Proposal, by each of the parties hereto, on their parts, to be observed and fulfilled, and intending to be legally bound do hereby agree as follows:

1. Recitals

The above recitals are incorporated herein by reference thereto and made a part of this Agreement.

2. Contract Documents

The Contract Documents include the following documents issued under the title “**Specifications and Contract Documents for Permanent Restoration of Surface Openings & Manual Bituminous Patching on Borough Streets**”: any and all Bidding Documents, including but not limited to Notice / Advertisement, Instruction to Bidders, General Terms and Conditions, Non-Discrimination / Sexual Harassment Clause, Bidder Affidavit, Non-Collusion Affidavit, Proposal, Proposal Bond, Receipt of Confirmation of Bidding and Contract Documents, any and all Addenda (if applicable), Receipt of Addenda (if applicable), the Contractor’s Proposal, this Agreement, Performance Bond, Payment Bond, Public Works Employment Verification Form, Specifications, completed W-9 Form, any required attachments or written amendment(s) and Notice(s) to Proceed (hereinafter the “Contract Documents”), which documents are incorporated into this Agreement by reference.

3. Basis of Agreement

The parties hereto recognize that the Contract Documents are the basis of this Agreement, and the parties accept the same, and declare that there are no understandings, representations or promises, written or verbal, having any bearing on this Agreement which are not expressed in said Contract Documents and Contractor’s Proposal or written in this Agreement.

4. Scope of Work

Contractor agrees to furnish all labor, superintendence, materials, necessary equipment, other utilities and facilities, and to otherwise perform all work and services necessary for or incidental to and otherwise perform all obligations imposed by this Agreement and to faithfully perform and complete all of said work connected therewith in full and strict conformity with the Contract Documents and this Agreement and to demonstrate and make good any guarantees and warranties therein required and contained, for all of which things faithfully and fully performed and completed for the following items (hereinafter the "Work"):

Item 1: Permanent Restoration of Surface Openings & Manual Bituminous Patching on Borough Streets

5. Payment

5.1 The Borough shall pay and the Contractor shall receive and accept as full payment for the performance of the Contractor's obligations hereunder, the price (s) stipulated in the Proposal hereto attached and in the manner as specified in the Contract Documents and this Agreement, subject to the retainage provisions set forth in this Paragraph 5. All payments will be processed through the Borough's standard accounts payable system. Upon the completion and inspection by the Borough of all work set forth in each written Notice to Proceed, Contractor shall submit invoices marked NET 30 DAYS. The invoice must include, at a minimum, the quantity and type of item plus unit price.

5.2 Retainage

5.2.1 These retainage and withholding provisions of this Paragraph 5.2 shall apply to the entire Work to be performed under the Contract and not to individual list of patches under a written Notice to Proceed.

5.2.2 The Borough shall withhold ten percent (10%) of the amount of approved invoices for each until all of the Work subject to this Contract is fifty percent (50%) completed. When all of the Work subject to this Contract is fifty percent (50%) completed, one-half of the amount retained by the Borough will be returned to Contractor; provided that the Borough approves the payment of this portion of the retained amount; and, provided further, that the Contractor is making satisfactory progress and there is no specific cause for greater withholding, as determined by the Borough in its sole and absolute discretion.

5.2.3 After the Work subject to this Contract is fifty percent (50%) completed and up to the date of Substantial Completion, subsequent approved invoices shall be paid by the Borough subject to withholding by the Borough of five percent (5%) of each such approved invoice so that the total amount withheld from Contractor shall not exceed five percent (5%) of the value of completed Work based on approved invoices. Substantial Completion shall be the time at which the Work subject to this Contract or specified part thereof has progressed to the point where in the sole and absolute opinion of the Borough the Work or a specified part thereof is sufficiently complete in accordance with the Contract Documents, so that the Work can be utilized for which it is intended. The terms "substantially complete" and "substantially completed" as applied to all or part of the Work refer to Substantial Completion thereof.

5.2.4 After the Work is substantially complete, subsequent approved invoices shall be paid, by the Borough, subject to withholding, by the Borough, of an amount equal to one and one-half times the amount required to complete any uncompleted minor items or correct

defective work, provided there is no specific cause for greater withholding, as determined by the Borough in its sole and absolute discretion.

- 5.2.5 In the event that a dispute arises between the Borough and the Contractor, which dispute is based on increased costs incurred by Contractor occasioned by delays or other actions of a subcontractor, additional retainages in the sum of one and one-half times the amount of any possible liability may be withheld by the Borough in its sole and absolute discretion from the Contractor until such times as a final resolution is agreed to by all parties directly or indirectly involved, unless the Contractor causing the additional claim furnishes an additional Bond in a form, substance and amount satisfactory to the Borough to indemnify the Borough against the claim. Payment for work performed according to the particular list of work for each written Notice to Proceed shall be pursuant to this Paragraph 5 and Paragraph 6 below.

5.3 Final Payment.

- 5.3.1 Final Inspection. Upon written notice from Contractor that the entire Work or an agreed portion thereof is complete for the particular list of work for each written Notice to Proceed, the Borough will promptly make a final inspection with Contractor and will notify Contractor in writing of all particulars in which this inspection reveals that the Work is incomplete or defective. Contractor shall immediately take such measures as are necessary to complete such Work or remedy such deficiencies. Contractor shall perform such work in accordance with Paragraph 6 below.

5.3.2 Application for Final Payment.

- 5.3.2.1 After Contractor has, in the sole opinion of the Borough, satisfactorily completed all corrections identified during the final inspection and has delivered, in accordance with the Contract Documents, all maintenance and operating instructions, schedules, guarantees, bonds, certificates or other evidence of insurance, certificates of inspection, marked-up record documents, and other documents, Contractor may make application for final payment.

5.3.2.2 The final Application for Payment shall be accompanied by:

- a. an invoice for the work performed and approved by the Borough;
- b. all documentation called for in the Contract Documents, including but not limited to the evidence of insurance as required;
- c. consent of the surety, if any, to final payment;
- d. a list of all Claims against the Borough that Contractor believes are unsettled; and
- e. complete and legally effective releases or waivers (satisfactory to the Borough) of all Lien rights arising out of or Liens filed in connection with the Work.

- 5.3.2.3 In lieu of the releases or waivers of Liens specified in Paragraph 5.3.2.2e and as approved by the Borough, Contractor may furnish receipts or releases in full and an affidavit of Contractor that: (i) the releases and receipts include all labor, services, material, and equipment for which a Lien could be filed; and (ii) all

payrolls, material and equipment bills, and other indebtedness connected with the Work for which the Borough might in any way be responsible, or which might in any way result in liens or other burdens on the Borough's property, have been paid or otherwise satisfied. If any Subcontractor or Supplier fails to furnish such a release or receipt in full, Contractor may furnish a bond or other collateral in a form, substance and amount satisfactory to the Borough to indemnify the Borough against any Lien.

5.3.3 Final Payment and Acceptance.

Upon final completion and acceptance of the Work in accordance with Paragraph 5.3.1, the Borough shall pay the remainder of the Contract Price for the work performed pursuant to Paragraph 6 below less the amount of liquidated and/or other damages and the amount of any unresolved claims, which have been filed against the Borough in connection with the Work, within thirty (30) days of final completion and acceptance of the Work as provided for herein.

5.4 Interest.

The final payment if not paid when due in accordance with Paragraph 5.3.3, less any deduction for liquidated and/or other damages or unresolved claims, shall bear interest at the rate of ten percent (10%) per annum or, when the Borough has issued bonds or notes to finance the Project, at the rate of interest of the bond or note issue, whichever is less. No interest will be paid on progress payments.

5.5 The Borough may withhold payment for Work completed after November 23, 2026 at the sole discretion of the Borough.

6. Contract Times

6.1 Term. The term of this Agreement shall begin on the Effective Date and terminate at midnight on November 23, 2026 unless terminated or extended at the Borough's sole and absolute option as provided for herein.

6.2 Contract Times/Date of Completion. Throughout the term of this Agreement, the Borough shall set the work to be completed and the time for completion. The Borough will provide written Notice(s) to Proceed to Contractor, which said Notice to Proceed shall include the following:

- a. Date of Issuance;
- b. A list of the work to be completed including the location of each street surface opening requiring restoration; and
- c. Date of Completion for the entire list of Work to be completed.

The Borough, in its sole and absolute discretion, shall determine the Date of Completion to be either thirty (30), sixty (60), or ninety (90) days from the Date of Issuance of the Notice to Proceed depending on the number of street surface openings included within each notice.

6.3 Contractor Right to Request Extension. Within five (5) business days from the Date of Issuance of the Notice to Proceed, the Contractor may either accept the Work or request in writing for an extension of the deadline for completion. The Borough, in its sole and absolute discretion, shall respond to the written request within five (5) business days. If the Borough determines that a new Date of Completion is warranted based on the written request of Contractor, the Borough shall issue an Amended Notice to Proceed with an amended Date of Completion. In no event shall the Contractor be provided more than ninety (90) days to complete the work. The Borough may award and issue a Notice to Proceed for the particular list of work to the next lowest bidder who can

meet the Date of Completion in the event the Borough and Contractor cannot agree on the Date of Completion.

6.4 Inspection of Work. Contractor, upon completion of the Work as included in the Notice to Proceed, shall schedule an inspection of each item of Work listed in the Notice to Proceed prior to the Date of Completion. In the event that any portion of the Work fails inspection, Contractor agrees to take any and all necessary and/or requested actions of the Borough to ensure that the Work passes inspection within five (5) business days from the date of the initial inspection of the Work.

6.5 Time is of the Essence. The time for completion of all work contemplated herein, including but not limited to the work to be completed in each written Notice to Proceed issued by the Borough is deemed to be of the essence and a material part of this Agreement.

6.6 Liquidated Damages. As set forth above in Paragraph 6.5 above, the Borough and Contractor recognize that time is deemed the essence of this Agreement and that the Borough will suffer financial loss if the Work to be Completed in each written Notice to Proceed is not completed by the Date of Completion as set forth in each written Notice to Proceed, plus any extensions thereof. The parties recognize the delays, expense and difficulties involved in proving the actual loss suffered by the Borough if the Work in each written Notice to Proceed is not completed, which shall be defined as inspected and approved by the Borough according to the terms of this Agreement, by the Date of Completion as set forth each written Notice. Therefore, instead of requiring any such proof, the Borough and Contractor agree that as liquidated damages for delay (but not as a penalty), Contractor shall pay the Borough One Thousand Dollars (\$1,000.00) for each calendar day that all the Work to be Completed in accordance with each respective written Notice to Proceed is not completed by the Date of Completion.

6.7 Additional Damages. In addition to the liquidated damages amount(s) specified above in Paragraph 6.6, Contractor also agrees to be fully responsible for and reimburse the Borough for all administrative, legal, engineering, construction, inspection costs, and/or any other costs associated with Contractor's failure to meet any of the Date of Completion as set forth in any and all of the written Notice to Proceed of the Borough as set forth herein.

6.8 Alternate Damages. The Borough, at its sole option, may waive liquidated damages as provided in Paragraph 6.6 above and elect to recover from Contractor the Borough's actual damages for such delay. Actual damages may include, without limitation, any fines and/or penalties imposed on the Borough by any regulatory body plus all actual damages suffered by the Borough as a result of such delay including but not limited to loss of revenue, engineering fees, consultant fees, construction fees, inspection fees, and legal fees incurred by the Borough as a result of such delay.

7. Change Orders

7.1 Any alteration, modification, or deviation from the Contract Price, which shall include the moneys payable by the Borough to the Contractor for completion of the Work, materials in accordance with the Contract Documents, and/or Contract Times, which shall include the number of days or dates in the Contract Documents to achieve any and all milestones, Substantial Completion, and completion of the Work so that it is ready for final payment as further set forth in the Contract Documents and as further identified in Paragraph 6, must be carried out upon written Change Order signed and dated by both the Borough and the Contractor unless otherwise provided for within this Paragraph 7. Change Orders, when signed and executed by the Contractor and the Borough, shall be made part of this Contract. This written authorization must be provided prior to the commencement of any Additional or Extra Work.

- 7.2 Additional Work, which is defined as work of a type already provided by the contract and for which the contract has established a unit price, is generally used to describe work arising when alterations in the work are authorized but do not result in a significant change in the character of the work as required under the original contract. Prices related to Change Orders for Additional Work are processed as adjustments to a contract unit price.
- 7.3 Extra Work is defined as work arising from changes in quantities or alterations in the work that results in a significant change in the character of the work under contract, or work having no quantity or price included in the Contract that is determined by the Borough to be necessary or desirable to complete the Contract. Prices related to Change Orders for Extra Work shall be proposed by the Contractor and negotiated with the Borough.
- 7.4 The Borough Manger, or designee, has the authority to approve all Field Change Orders, which are necessary for the completion of the Contract and do not exceed ten percent (10%) of the Proposal price. All other Change Orders are deemed Major Change Orders and shall only be approved by Town Council. The Borough Manager shall make the determination of what is a Field Change Order or Major Change Order.
- 7.5 Contractor shall not be entitled to an increase in the Contract Price or an extension of Contract Times with respect to any work performed that is not required by the Contract Documents except in the case of an emergency, as further discussed in Paragraph 7.9 below.
- 7.6 The Borough shall have sole and absolute discretion to grant a Change Order.
- 7.7 Borough Initiated Change Order. Without invalidating the Contract, the Borough may, at any time or from time to time, order additions, deletions, or revisions in the Work and/or materials by request for Change Order. Upon receipt of any such document, Contractor shall notify the Borough of the entitlement to, if any, or on the amount or extent, if any, of an adjustment in the Contract Price or Contract Times, or both, that would result from the Change Order. If a change in Contract Price and/or Contract Time will result, the parties shall agree to such modification in the Change Order. If the parties are unable to agree, the Borough may continue with the Contract as drafted or terminate the Contract.
- 7.8 Contractor Initiated Change Order. Contractor shall promptly notify the Borough with the request for Change Order in the event that the Contractor determines that the following is necessary or desirable: 1) a change of Work and/or Services; or 2) a change of Contract Price or Contract Times. Said request of Change Order shall include the change of work together with any and all modifications to the Agreement including but not limited to changes to the Contract Price and/or Contract Times. The Borough, in its sole and absolute discretion, shall either agree or reject the request for Change Order. In the event that the Borough agrees to the request for Change Order, the parties sign and execute a written Change Order as set forth herein.
- 7.9 Notwithstanding the foregoing, in emergencies affecting the safety or protection of persons or the Work or property at the particular project site or adjacent thereto, Contractor is obligated to act to prevent threatened damage, injury, or loss. Contractor shall give the Borough prompt written notice if Contractor believes that any significant changes in the Work or variations from the Contract Documents have been caused thereby or are required as a result thereof. If the Borough determines that a change in the Contract Documents is required because of the action taken by Contractor in response to such an emergency, a Work Change Order will be issued.
- 7.10 Contractor shall not be entitled to an adjustment in the Contract Price or Contract Times for delays within the control of Contractor. Delays attributable to and within the control of a sub-

contractor or supplier shall be deemed to be delays within the control of Contractor. Contractor shall be entitled to an equitable and reasonable adjustment of Contract Times, but not an increase in a Contract Price, for delays related to Force Majeure, abnormal weather conditions, or other causes not the fault of and beyond the control of the Borough and the Contractor.

8. Contractor's Representations

In order to induce the Borough to enter into this Agreement, Contractor makes the following representations:

- 8.1 Contractor has examined and carefully studied the Contract Documents and the other related data identified in the Contract Documents including any applicable "technical data".
- 8.2 Contractor has visited the site and become familiar with and is satisfied as to the general, local, and site conditions that may affect cost, progress, performance, and furnishing of the Work.
- 8.3 Contractor is familiar with and is satisfied as to all federal, state, and local laws and regulations that may affect cost, progress, performance, and furnishing of the Work.
- 8.4 Contractor is aware of the general nature of work to be performed by the Borough and others at the site that relates to the Work as indicated in the Contract Documents.
- 8.5 Contractor has correlated the information known to Contractor, information and observations obtained from visits to the site, reports, and drawings identified in the Contract Documents and all additional examinations, investigations, explorations, tests, studies, and data with the Contract Documents.
- 8.6 Contractor has given the Borough written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, prior to executing this Agreement, and the written resolution thereof by the Borough is acceptable to Contractor, and the Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- 8.7 Contractor acknowledges the Borough may apply for other funding assistance for the Work and if such funding is awarded, Contractor and/or subcontractors may be required to submit additional information or documentation, and contractor and/or subcontractors may be required to adhere to additional criteria necessary to satisfy additional funding requirements.
- 8.8 Contractor is authorized to do business in Pennsylvania and that the person signing on behalf of the Contractor is authorized to bind Contractor to the terms and conditions set forth herein.

9. Subsurface & Physical Conditions and Underground Facilities

The Borough may furnish to Contractor reports and or drawings known to the Borough relating to subsurface and physical conditions, explorations, tests and Underground Facilities at or contiguous to the location for which the work contemplated under this Agreement is to be performed. The Borough makes no warranties or representations regarding the accuracy of such information and Contractor shall not rely on the information as accurate. Contractor acknowledges that such reports and drawings may not be complete for Contractor's purposes. Contractor acknowledges that the Borough does not assume responsibility for the accuracy or completeness of information and data shown or indicated. Underground Facilities shall include underground pipelines, conduits, ducts, cables, wires, manholes, vaults, tanks, tunnels, or other such facilities or attachments, and any encasements containing such facilities, including those that convey electricity, gases, steam, liquid petroleum products, telephone or other communications, cable television, water, wastewater, storm water, other liquids or chemicals,

or traffic or other control systems. If an Underground Facility is uncovered or revealed at or contiguous to the site which was not shown or indicated, or not shown or indicated with reasonable accuracy, Contractor shall, promptly after becoming aware thereof and before further disturbing conditions affected thereby or performing any Work in connection therewith identify the owner of such Underground Facility and give written notice to that owner and to the Borough.

10. Existing Utilities

Contractor shall comply with Federal, State, and local regulations relating to the requirement to notify utility companies, including any utility owned and operated by the Borough, prior to performing work that has the potential to damage the facilities of such utility companies. Where such utility company facilities are located underground, Contractor shall make arrangements for a utility company representative to locate the underground facilities prior to initiating excavation work. If any utility company facility is damaged during the Work, Contractor shall immediately notify the affected utility company. If the utility had been correctly located and marked in the field by its owner, Contractor shall be fully responsible for repairing or replacing such damaged facilities, at no cost to the Borough, in accordance with utility company's requirements. If Contractor fails to promptly repair or replace damaged facilities, Borough or utility company may arrange to have the required work performed by others and the cost of such work will be charged to the Contractor by deduction from a progress payment.

11. Correction of Defective Work

11.1 Prompt notice of all defective Work of which the Borough has actual knowledge will be given to Contractor. Defective Work may be rejected, corrected, or accepted as provided in this Paragraph 11.

11.2 If the Work is defective, or Contractor fails to supply sufficient skilled workers or suitable materials or equipment, or fails to perform the Work in such a way that the completed Work will conform to the Contract Documents, the Borough may order Contractor to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, this right of the Borough to stop the Work shall not give rise to any duty on the part of the Borough to exercise this right for the benefit of Contractor, any Subcontractor, any Supplier, any other individual or entity, or any surety for, or employee or agent of any of them.

11.3 Correction Period

11.3.1 If within one (1) year after the date of completion (or such longer period of time as may be prescribed by the terms of any applicable special guarantee required by the Contract Documents), which shall be evidenced by final payment under Paragraph 5.3 for each Written Notice to Proceed, or by any specific provision of the Contract Documents, any Work is found to be defective, or if the repair of any damages to the land or areas made available for Contractor's use by the Borough is found to be defective, Contractor shall promptly, without cost to the Borough and in accordance with the Borough' written instructions:

11.3.1.1 repair such defective land or areas; or

11.3.1.2 correct such defective Work; or

11.3.1.3 if the defective Work has been rejected by the Borough, remove it from the Project and replace it with Work that is not defective, and

11.3.1.4 satisfactorily correct or repair or remove and replace any damage to other Work, to the work of others or other land or areas resulting therefrom.

11.3.2 If Contractor does not promptly comply with the terms of the Borough' written instructions, or in an emergency where delay would cause serious risk of loss or damage, the Borough may have the defective Work corrected or repaired or may have the rejected Work removed and replaced. All claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) arising out of or relating to such correction or repair or such removal and replacement (including but not limited to all costs of repair or replacement of work of others) will be paid by Contractor.

11.3.3 In special circumstances where a particular item of equipment is placed in continuous service before Substantial Completion of all the Work, the correction period for that item may start to run from an earlier date if so provided in the Specifications.

11.3.4 Where defective Work (and damage to other Work resulting therefrom) has been corrected or removed and replaced, the correction period hereunder with respect to such Work will be extended for an additional period of one year after such correction or removal and replacement has been satisfactorily completed.

11.3.5 Contractor's obligations under this Paragraph 11 are in addition to any other obligation or warranty. The provisions of this Paragraph 11 shall not be construed as a substitute for, or a waiver of, the provisions of any applicable statute of limitation or repose.

11.4 Acceptance of Defective Work

If, instead of requiring correction or removal and replacement of defective Work, the Borough prefers to accept it, the Borough may do so. Contractor shall pay all claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) attributable to the Borough's evaluation of and determination to accept such defective Work and for the diminished value of the Work to the extent not otherwise paid by Contractor pursuant to this sentence. If any such acceptance occurs prior to the recommendation of final payment, a Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work, and the Borough shall be entitled to an appropriate decrease in the Contract Price, reflecting the diminished value of Work so accepted.

11.5 The Borough May Correct Defective Work

If Contractor fails within a reasonable time after written notice from the Borough to correct defective Work, or to remove and replace rejected Work, or if Contractor fails to perform the Work in accordance with the Contract Documents, or if Contractor fails to comply with any other provision of the Contract Documents, the Borough may, after seven days written notice to Contractor, correct, or remedy any such deficiency.

In exercising the rights and remedies under this Paragraph 11, the Borough shall proceed expeditiously. In connection with such corrective or remedial action, the Borough may exclude Contractor from all or part of the worksite, take possession of all or part of the Work and suspend Contractor's services related thereto, take possession of Contractor's tools, appliances, construction equipment and machinery at the worksite, and incorporate in the Work all materials and equipment stored at the Site or for which the Borough has paid Contractor but which are stored elsewhere. Contractor shall allow the Borough, the Borough' representatives, agents and employees, the Borough's other contractors, access to the Site to enable the Borough to exercise the rights and remedies under this Paragraph 11.

All claims, costs, losses, and damages (including but not limited to all fees and charges of engineers, architects, attorneys, and other professionals and all court or arbitration or other dispute resolution costs) incurred or sustained by the Borough in exercising the rights and remedies under this Paragraph 11 will be charged against Contractor, and a Change Order will be issued incorporating the necessary revisions in the Contract Documents with respect to the Work; and the Borough shall be entitled to an appropriate decrease in the Contract Price. Such claims, costs, losses and damages will include but not be limited to all costs of repair, or replacement of work of others destroyed or damaged by correction, removal, or replacement of Contractor's defective Work.

12. Force Majeure

The Borough, the Contractor, and sub-contractors shall not be held responsible for any delay, default, or nonperformance directly caused by an act of God, unforeseen adverse weather events, accident, labor strike, fire, explosion, riot, war, rebellion, terrorist activity, sabotage, flood, epidemic, act of federal or state government, labor, material, equipment, or supply shortage. Notwithstanding the foregoing, such delays, defaults, or nonperformance shall result from matters that would not be reasonably foreseen by a Contractor exercising reasonable due diligence and/or care.

13. Governing Law / Venue / Jurisdiction

This Agreement shall be construed according to, be subject to, and be governed by the laws of the Commonwealth of Pennsylvania. Any legal and/or equitable action arising out of or relating to, directly or indirectly, this Agreement shall be filed with the Court of Common Pleas in and for Franklin County, Pennsylvania.

14. Entire Agreement

This Agreement contains the entire Agreement between the parties and no other agreements, oral or otherwise, regarding the subject matter of this Agreement, shall be deemed to exist or bind any of the parties. No modification, amendment, change or addition to this Agreement shall be binding on the parties unless reduced in writing mutually agreed to, and signed by the parties authorized representatives.

15. Remedies

No remedy herein conferred upon any party is exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or provided by law, equity, statute, or unless otherwise stated herein. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other exercise or further exercise thereof. Notwithstanding the foregoing, Contractor waives any and all claims to consequential, incidental, compensatory or punitive damages that may arise out of and/or resulting from this Agreement, including but not limited to loss of anticipated profits or revenue or other economic loss in the event this Agreement is terminated. Further, Contractor agrees that Contractor's sole remedy for any claim arising out of or relating to this Agreement shall be payment for services rendered prior to any termination of the Agreement, provided however that the Borough may offset any amount owed to the Contractor for services rendered by Contractor prior to termination of the Agreement for any damages, and/or costs suffered and/or incurred by the Borough as a result of any breach or failure by Contractor.

16. Severability

If any term, provision, covenant, or condition of this Agreement is held by a court of competitive jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired, or invalidated as a result of such decision.

17. Counterparts

This agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute the same instrument.

18. Successors and Assigns

The Borough and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

19. Assignment

No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

20. Termination / Suspension

Should the Contractor fail to perform the Work and/or Services to the satisfaction of the Borough or to comply with any of the provisions of the Agreement, the Borough may terminate the Agreement for cause upon seven (7) days written notice of intent to terminate to the Contractor. Contractor's services will not be terminated if the Contractor begins within seven (7) days of receipt of the notice of intent to terminate to correct and cure the deficiencies set forth in said notice and it proceeds in a diligent manner to cure such deficiencies within no more than fifteen (15) days of receipt of said notice, unless the Borough in its sole and absolute discretion extends such time to cure in writing.

Notwithstanding the foregoing, the Borough may terminate this Agreement without cause and without prejudice to any other right or remedy of the Borough upon ten (10) days' written notice to Contractor.

Contractor may only terminate this Agreement in the event the Borough is in default and fails to cure said default within thirty (30) days from the date the Borough receives written notice from Contractor, which said notice shall set forth the alleged default.

In the event that the Borough terminates the Contract as provided for herein, Contractor agrees that Contractor shall not be entitled to, and shall not be paid, an amount of loss of anticipated profits or revenue or other economic loss arising out of and/or resulting from such termination. Contractor agrees that its sole remedy shall be payment for services rendered prior to termination of the Contract, provided however that the Borough may offset any amount owed to the Contractor for services rendered by Contractor prior to termination for any damages, and/or costs suffered and/or incurred by the Borough as a result of any breach or failure by Contractor.

The Borough has the right to suspend performance of the Agreement, at any time and without cause, by written notice, upon which the Contractor shall be entitled to an increase in the contract time and contract price caused by the suspension, as determined by the Borough in its sole and absolute discretion.

21. Disputes

Before any litigation is brought pursuant to this Agreement, the parties hereto agree to submit any dispute between them to mediation. Such mediation shall be a condition precedent to either party instituting litigation unless a stay of an applicable statute of limitations or repose is necessary. Such mediation may be initiated by written request and will occur within thirty (30) days of such request.

A mutually agreeable impartial mediator may be retained, if requested by either party, to assist in the mediation process. In the event the parties cannot agree to a mediator, the parties will continue to put forth names for a mutually agreeable time, after which litigation may be commenced in Franklin County Court of Common Pleas if a mediator is not agreed upon. In the event mediation does not result in the successful resolution of the dispute, either party may institute any and all actions necessary to protect their rights at law and/or equity in accordance with this Agreement. No remedy herein conferred upon any party is exclusive of any other remedy, and each and every remedy shall be cumulative and shall be in addition to every other remedy given hereunder or provided by law, equity, statute, or unless otherwise stated herein. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other exercise or further exercise thereof. Notwithstanding the foregoing, Contractor waives any and all claims to consequential, incidental, compensatory or punitive damages that may arise out of and/or resulting from this Agreement, including but not limited to loss of anticipated profits or revenue or other economic loss in the event this Agreement is terminated. Further, Contractor agrees that Contractor's sole remedy for any claim arising out of or relating to this Agreement shall be payment for services rendered prior to any termination of the Agreement, provided however that the Borough may offset any amount owed to the Contractor for services rendered by Contractor prior to termination of the Agreement for any damages, and/or costs suffered and/or incurred by the Borough as a result of any breach or failure by Contractor.

22. Non-Discrimination

Contractor shall not discriminate against any employee, applicant for employment, or any person seeking the Services of Contractor to be provided under this Agreement on the basis of race, color, religion, creed, sex, age, national origin, marital status, or presence of any sensory, mental, or physical handicap.

23. Effective Date

As used herein, the "Effective Date" shall mean the later of the Borough execution date and the Contractor execution date, each of which is set forth on the signature page hereof.

24. Independent Contractors

Any Work to be performed by the Contractor or its sub-contractors, if any, under this Agreement are provided as independent contractors. Nothing in this Agreement shall be considered to create the relationship of employer and employee between the parties. All persons engaged in any of the Work to be performed pursuant to this Agreement shall at all times and places be subject to the Contractor's sole direction, supervision, and control. The Contractor shall exercise control over the means and manner in which it, its employees, and sub-contractors perform the Work. The Contractor does not have the power or authority to bind the Borough in any promise, agreement, or representation unless expressly provided written agreement to do so. The Contractor also hereby represents and warrants that it and any sub- contractors has and will continue to maintain all licenses and approvals required to conduct its business and to provide the Work as required pursuant to this Agreement.

1. The Contractor and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the Performance of the Work as defined by the Agreement, which is incorporated herein by reference.
2. If the Contractor performs the Work, the Surety and the Contractor shall have no obligation under this Bond, except to participate in conferences as provided in Paragraph 3.1.
3. If there is no Owner Default, the Surety's obligation under this Bond shall arise after:
 - 3.1 The Owner has notified the Contractor and the Surety at its address described in Article 11 below, that the Owner is considering declaring a Contractor Default and has requested and attempted to arrange a conference with the Contractor and the Surety to be held not later than fifteen days after receipt of such notice to discuss methods of performing the Work. If the Owner, the Contractor, and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Work, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor default; and
 - 3.2 The Owner has declared a Contractor default and formally terminated the Contractor's right to complete the Work. Such Contractor Default shall not be declared earlier than twenty days after the Contractor and the Surety have received notice as provided in Paragraph 3.1; and
 - 3.3 The Owner has agreed to pay the Balance of the Contract Price to the Surety in accordance with the terms of the Agreement or to a contractor selected to perform the Work in accordance with the terms of the Agreement with the Owner.

4. When the Owner has satisfied the conditions of Article 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

- 4.1 Arrange for the Contractor, with consent of the Owner, to perform and complete the Work; or
- 4.2 Undertake to perform and complete the Work itself, through its agents or through independent contractors; or
- 4.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Work, arrange for a contract to be prepared for execution by the Owner and the contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Work, and pay to the Owner the amount of damages as described in Article 6 in excess of the Balance of the Contract Price incurred by the Owner resulting from the Contractor's default; or
- 4.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:
 1. After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, tender payment therefor to the Owner; or
 2. Deny liability in whole or in part and notify the Owner citing reasons therefor.

5. If the Surety does not proceed as provided in Article 4 within fifteen (15) business days of Owner's satisfaction of the conditions of Article 3, or within twenty-four (24) hours after notice, where notice states that immediate action by the Surety is necessary to safeguard life or property, the Surety shall be deemed to be in default on this Bond three (3) days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Paragraph 4.4, and the Owner refuses the payment tendered or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

6. After the Owner has terminated the Contractor's right to complete the Work, and if the Surety elects to act under Paragraph 4.1, 4.2, or 4.3 above, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Agreement, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Agreement. To the limit of the amount of this Bond, but subject to commitment by the Owner of the Balance of the Contract Price to mitigation of costs and damages on the Work, the Surety is obligated without duplication for:

- 6.1 The responsibilities of the Contractor for:
 1. Completion of the Work.
 2. Correction of defective work during the one-year Correction Period, as defined in Paragraph 11 of the Agreement. The one-year Correction Period shall be extended for one year from the completion of the correction of defective work.
- 6.2 Additional legal, design, professional, and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Article 4; and

- 6.3 Liquidated damages, or at the option of the Owner, actual damages caused by delayed performance or non-performance of the Contractor.
7. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Work, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators, or successors.
8. To the extent of payment to the Surety of the Balance of the Contract Price, the Surety shall defend, indemnify, and hold harmless the Owner from all claims, suits, causes of action, and demands (including all costs of litigation and reasonable attorney fees), which are brought against Owner by Contractor or by any other party and which arise from or by reason of payment to the Surety of the Balance of the Contract Price.
9. The Surety hereby waives notice of any change, including changes of time, to the Agreement or to related subcontracts, purchase orders, and other obligations.
10. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the Work or part of the Work is located and shall be instituted within two years after Contractor Default or within two years after the Contractor ceased working and within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Article are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
11. Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the front page.
12. When this Bond has been furnished to Owner in compliance with the Public Works Contractor's Bond Law of 1967, 8 P.S. § 191 *et. seq.*, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
13. The law controlling the interpretation or enforcement of this Bond shall be Pennsylvania Law.
14. Definitions:
- 14.1 Balance of the Contract Price: The total amount payable by the Owner to the Contractor under the Agreement after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Agreement.
- 14.2 Contractor Default: Failure of the Contractor, which has neither been remedied nor waived, to perform or otherwise to comply with the terms of the Agreement.
- 14.3 Owner Default: Failure of the Owner, which has neither been remedied nor waived, to pay the Contractor as required by the Agreement or to perform and complete or comply with the other terms thereof.

1. The Contractor and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner to pay for labor, materials, and equipment furnished for use in the performance of the Work as defined by the Agreement, which is incorporated herein by reference.
2. With respect to the Owner, this obligation shall be null and void if the Contractor:
 - 2.1 Promptly makes payment, directly or indirectly, for all sums due Claimants, and
 - 2.2 Defends, indemnifies, and holds harmless the Owner from all claims, demands, liens, or suits by any person or entity who furnished labor, materials, or equipment for use in the performance of the Work, provided the Owner has promptly notified the Contractor and the Surety (at the address described in Article 12) of any claims, demands, liens, or suits and tendered defense of such claims, demands, liens, or suits to the Contractor and the Surety, and provided there is no Owner Default.
3. With respect to Claimants, this obligation shall be null and void if the Contractor promptly makes payment, directly or indirectly, for all sums due.
4. The Surety shall have no obligation to Claimants under this Bond until:
 - 4.1 Claimants who are employed by or have a direct contract with the Contractor have given notice to the Surety (at the address described in Article 12) and sent a copy, or notice thereof, to the Owner, stating that a claim is being made under this Bond and, with substantial accuracy, the amount of the claim.
 - 4.2 Claimants who do not have a direct contract with the Contractor:

1. Have furnished written notice to the Contractor and sent a copy, or notice thereof, to the Owner, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the claim stating, with substantial accuracy, the amount of the claim and the name of the party to whom the materials were furnished or supplied or for whom the labor was done or performed; and
 2. Have either received a rejection in whole or in part from the Contractor, or not received within thirty (30) days of furnishing the above notice any communication from the Contractor by which the Contractor has indicated the claim will be paid directly or indirectly; and
 3. Not having been paid within the above thirty (30) days, have sent a written notice to the Surety (at the address described in Article 12) and sent a copy, or notice thereof, to the Owner, stating that a claim is being made under this Bond and enclosing a copy of the previous written notice furnished to the Contractor.
5. If a notice required by Article 4 is given by the Owner to the Contractor or to the Surety, that is sufficient compliance.
6. When the Claimant has satisfied the conditions of Article 4, the Surety shall promptly and at the Surety's expense take the following actions.
- 6.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed.
 - 6.2 Pay or arrange for payment of any undisputed amounts.
 - 6.3 The Surety's failure to discharge its obligations under this Section 6 shall not be deemed to constitute a waiver of defenses the Surety or the Contractor may have or acquire as to a claim. However, if the Surety fails to discharge its obligations under this Section 6, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs to recover any sums found to be due and owing to the Claimant under this Section 6.
7. The Surety's total obligation shall not exceed the amount of this Bond, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
8. Amounts owed by the Owner to the Contractor under the Agreement shall be used for the performance of the Work and to satisfy claims, if any, under any Performance Bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Work are dedicated to satisfy obligations of the Contractor and the Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the Work.
9. The Surety shall not be liable to the Owner, Claimants, or others for obligations of the Contractor that are unrelated to the Work. The Owner shall not be liable for payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, give notices on behalf of, or otherwise have obligations to Claimants under this Bond.
10. The Surety hereby waives notice of any change, including changes of time, to the Agreement or to related subcontracts, purchase orders, and other obligations.
11. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the location in which the Work or part of the Work is located or after the

expiration of one year from the date (1) on which the Claimant gave the notice required by Paragraphs 4.2.3 or 4.1, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Agreement, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.

12. Notice to the surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the front page. Actual receipt of notice by Surety, the Owner, or the Contractor, however accomplished, shall be sufficient compliance as of the date received at the address shown on the front page.

13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. The intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

14. Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor shall promptly furnish a copy of this Bond or shall permit a copy to be made.

15. Definitions:

15.1 Claimant: An individual or entity having a direct contract with the Contractor or with a subcontractor of the Contractor to furnish labor, materials, or equipment for use in the performance of the Work. The intent of this Bond shall be to include without limitation in the terms "labor, materials, or equipment" that part of water, gas, power, light, heat, oil, gasoline, telephone service, or rental equipment used in the Work, architectural and engineering services required for performance of the Work of the Contractor and the Contractor's subcontractors, and all other items for which a mechanic's lien may be asserted in the jurisdiction where the labor, materials, or equipment were furnished.

15.2 Owner Default: Failure of the Owner, which has neither been remedied nor waived, to pay the Contractor as required by the Agreement or to perform and complete or comply with the other terms thereof.

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

- **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note for ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040 you filed with your application.

- **Sole proprietor.** Enter your individual name as shown on your Form 1040 on line 1. Enter your business, trade, or “doing business as” (DBA) name on line 2.

- **Partnership, C corporation, S corporation, or LLC, other than a disregarded entity.** Enter the entity’s name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

- **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. Enter any business, trade, or DBA name on line 2.

- **Disregarded entity.** In general, a business entity that has a single owner, including an LLC, and is not a corporation, is disregarded as an entity separate from its owner (a disregarded entity). See Regulations section 301.7701-2(c)(2). A disregarded entity should check the appropriate box for the tax classification of its owner. Enter the owner’s name on line 1. The name of the owner entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For

example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, enter it on line 2.

Line 3a

Check the appropriate box on line 3a for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box on line 3a.

IF the entity/individual on line 1 is a(n) . . .	THEN check the box for . . .
• Corporation	Corporation.
• Individual or • Sole proprietorship	Individual/sole proprietor.
• LLC classified as a partnership for U.S. federal tax purposes or • LLC that has filed Form 8832 or 2553 electing to be taxed as a corporation	Limited liability company and enter the appropriate tax classification: P = Partnership, C = C corporation, or S = S corporation.
• Partnership	Partnership.
• Trust/estate	Trust/estate.

Line 3b

Check this box if you are a partnership (including an LLC classified as a partnership for U.S. federal tax purposes), trust, or estate that has any foreign partners, owners, or beneficiaries, and you are providing this form to a partnership, trust, or estate, in which you have an ownership interest. You must check the box on line 3b if you receive a Form W-8 (or documentary evidence) from any partner, owner, or beneficiary establishing foreign status or if you receive a Form W-9 from any partner, owner, or beneficiary that has checked the box on line 3b.

Note: A partnership that provides a Form W-9 and checks box 3b may be required to complete Schedules K-2 and K-3 (Form 1065). For more information, see the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. See, for example, sections 6698, 6722, and 6724 for penalties that may apply.

Line 4 Exemptions

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

K—A broker.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information.
